DIBELS Word Use Fluency

Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

Listen to me use this word: "green." (pause) "The grass is green." Here is another word: "jump." (pause) "I like to jump rope." Your turn to use a word. (pause) "Rabbit."

CORRECT RESPONSE: If student uses the word correctly, say	Very good.
INCORRECT RESPONSE: If student gives any other response, say	<i>Listen to me use the word "rabbit." (pause) "The rabbit is eating a carrot." Your turn. "Rabbit."</i>

OK. Here is your first word.

Start your stopwatch after you give the student the first word.
