### Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

*Listen to me use this word: "green." (pause) "The grass is green." Here is another word: "jump." (pause) "I like to jump rope." Your turn to use a word. (pause) "Rabbit."*

<b>CORRECT RESPONSE:</b> If student uses the word correctly, say	<b>Very good.</b>
<b>INCORRECT RESPONSE:</b> If student gives any other response, say	<i>Listen to me use the word "rabbit." (pause) "The rabbit is eating a carrot." Your turn. "Rabbit."</i>

***OK. Here is your first word.***

Start your stopwatch after you give the student the first word.
