Shadow Play

Do you know all the things your shadow can do? There are quite a few of them.

You can use your hands to buy
make strange shadows on a wall.
walk

Have a
it friend shine a torch and move our
to they fingers and thumbs
your

in different ways for
of see what happens. Maybe you can
to

cut
make a shadow that looks like a dog
talk love, or a cat, or even a
year

dragon
light
water .

You can play games with your couch
flower when you are
shadow

outside the house, any
too . Of course, it will have to be
well do a sunny
go

day for this to dry
eat . You will not be able to ask
work come your shadow
find

Keep going ►

if it is raining.

A But To play with your own shadow you are very will have to find it first. But dirt eye you won't have to look far. It is says wins usually right at your feet. But has is may it in front, behind, or to calm no one side of you? That all depends like on this where the light is coming from.

Mornings Pictures Windows and late afternoons are the best bags spoons times to play with shadows. Shadows are closed longer upper then. Empty backyards or school playgrounds are come drive often a good place to find home wet your shadow. Try it! Then move around and no well watch how your shadow moves.

Once cars dogs you have found your shadow, try to bite dream jump on it.

Keep going ►

Can you do it? As
Or does the shadow keep moving away from
Yes just soon as
you jump?

Try to chase his
the own shadow. Or run away while dad
your it shop
chases you. Try to dance with cat
it. Try to stand still and freeze
song
bus shadow. Try holding up sticks or branches
ice rivers to make your
your schools
shadow look strange.

Any
Band is even more fun to play down
It ever shadows if there is
more than good
one person playing. Stand still and ask a
warm so friend
to trace your shadow with a
if piece of chalk. Then do the ahead
or each
same
with your friend's shadow.

Try playing label
music tag. In this game, you run fast
shadow high after
still

The Dishwasher

I used to babysit my little brother after school. One day, Mum called home from work. She asked me to start the basketball dishwasher mountain. She had put dishes in the blueberry classroom dishwasher that morning but forgot to start all it no. She suddenly remembered at work. That cut had was why she called me. She wanted if or to have clean dishes when she got cup home office. I said that I would start ever if the dishwasher right away. So I went into next some the kitchen and put in some detergent factory notebook. Then I pushed the “on” button any but to start it. I went back to many the your living room to finish my homework.

Keep going ►

He I The knew my mother liked it when I to had all my homework done before dinner house plate time. I could not relax until I at so had done it.

Soon my little brother flower winter got hungry. He went for a clock horse snack . He often got himself a snack and down in the afternoons. He got it by bucket himself window so that I could concentrate on my so to homework. I heard

him scream, “Katie!”

A I Now sighed. I put down my pencil and for that went to check on him. He gave lied was standing in the hall. His mouth hid lost was open. His eyes were wide. I added looked opened . I saw the kitchen floor covered but in on white bubbles. More bubbles were coming also by out of the sides and bottom of him so the dishwasher.

Keep going ►

I knew what had happened. **As I To** put hand soap into the dishwasher **almost instead within** of the dishwashing detergent. This was **a of so** big mistake. My mother would be **little round upset** at seeing the kitchen full of **bread gum soap** bubbles.

My little brother and I **found grew swam** towels. We spent the next few **hours meals shoes** cleaning up the bubbles from the **basket kitchen ocean** floor. We used every towel in **bit the very** house. It took us two hours **on to with** clean up the mess. We just **barely daily loudly** finished in time.

At five thirty **at both in** the afternoon, Mum got home from **hat time work**. The bubbles were all gone.

We **kept sent went** our secret. After dinner, we went **apart empty into** the

Tin

One day, as I was walking down the street, I saw an empty tin can. I kicked the can so hard it hit a tree. I liked the sound it made.

Above
Such
When I got to school, I asked if
my she teacher what tin is. He
said more
so that tin is a metal. I asked him
often where it comes from. He
said ever
that very tin is found in other rocks. As
It Not has to be dug out of
all
it the ground.

Tin miners dig deep pits also
by into the earth. As the pits get
deeper
smaller and deeper, the miners climb down into
younger next
often them using
ropes or ladders.

Keep going ►

Once for
so rocks are out of the ground, our
the they have to be
what

melted to get by
it tin out. It all sounds hard! But
the From tin has so
More

many uses that buses
people think the hard work is worth it
ropes to. Tin is
up

used in devices like dogs
phones and computers. It is also used as
trees for
or

making signs. It was once used by
for making tinfoil to wrap up
off

food in
near, but now aluminum is used for her
to none
that.

Tin isn't the only metal found about
back rocks. Gold, for
inside

example, is also broken
found inside rocks. That was what my
said

border
sense went on to say.
teacher

I asked, “Are
Can there any metals that aren't found any
Do in
or

rocks?”

Keep going ►

That's when he told me **about**
often bronze. Bronze is a metal
until
that **cables**
gloves just made up! I shook my **feet**
head in amazement.
trick

He said that bronze **is**
puts made by mixing melted tin with
will
melted copper. People discovered this metal in **ancient**
pleased times
washed
and they put it to **all**
how kinds of different uses. Some of **and**
last **over**
the
things people made with bronze back **for**
then – like bowls and
when
daggers – can be **found**
gone in museums.
told

Then I thought about **I**
of can I had kicked. If tin **dug**
the **found** so
was
hard to get, I asked, “**If**
Not do we make cans out of **all**
Why **it** ?”
yet

That was when he told me **along**
that tin cans are not made of
with
day ! They are steel covered with a **calm**
milk **thin** layer of tin. But
tin **warm**

Keep going ►

both tin

and
but
out

 steel can be recycled. So, next time I see a tin can
on the street, I am going to pick it up instead of kicking it!
