One Spooky Night

It was late summer, and the boys were camping overnight. It was their first time camping on their own. They set up their tent in a be for field near a stream fed by a in to small waterfall. At the edge of but old the field, there was a wall of bag dirt pine trees and kilometres of dense woods.

A By The woods were full of wild plants but that what deer liked. At night, deer would gather jump wash for a sip of water and a so to meal. The boys didn't know that almost should though . What they did know was that black lucky purple bears were sometimes spotted in the area beach couch . The oldest boy built a small car fire grass . It was just big enough to keep make raise
